

Kasko Series - Round with Eyelid

SHOWN IN ANTHRACITE WITH VANDAL RESISTANT POLYCARBONATE LENS

Exquisite Italian design. Premium, high-tech materials. Modern construction and quality. Manufactured to resist the ingress of dust and water due to its airtight seal even in the toughest conditions. Specified with the vandal resistant polycarbonate diffuser makes Kasko ideal for open access areas. Vertical mount only on wall, bollard, or U-post.

- Cover and housing in die-cast aluminum
- Offered with opal glass diffuser, or an opal UV and vandal resistant polycarbonate diffuser
- Stainless steel allen key screws
- 99.8 polished aluminum reflector
- Pre-phosphochromed UV resistant painting
- Lampholder on the top
- Cable entry from either the rear or the sides
- Bollards and U-posts available and sold separately
