## Non-Glare Shield for Kasko Luminaires

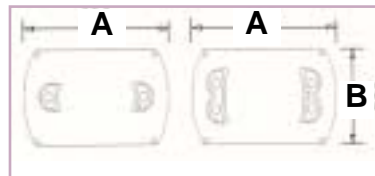

Non-Glare Shield is the ideal solution for maximum lumen output when a clear lens is required yet providing reduced glare. For applications involving medium base socket and lamps perpendicular to reflector.

- Revolving reflector in chromium-plated steel
- Installed under the lampholder at all times
- Chromium-plated brass screws
- Suitable for Kasko luminaires with clear polycarbonate diffuser.

## Bases for U-Post Bollards for Kasko Luminaires

Sleek, contemporary Bases for single and double support of Kasko Bollards including U-Posts and Inclined U-Post. Die-cast Aluminum.
